# servicing schedule

Here is a detailed guide to the things that are checked on a service, the guide checks everything done on a 7500 mile service to a 45000 mile service, on imported cars.

## Service Intervals

1. **Service Every 7,500 miles or 6 months**
2. **Service Every 15,000 miles or 12 months**
3. **Service Every 30,000 miles or 24 months**
4. **Service Every 45,000 miles or 36 month**

## Service Order

1 - 2 - 1 - 3 - 1 - 4 - 1 - 3 - 1 - 2 - 1 - 4 - 1 - 3
